The Council is satisfied that, pursuant to Section 254J(3) of the *Local Government Regulation 2012*, the information to be received, discussed or considered in relation to this agenda item is:

(d) rating concessions.

**PURPOSE**

To approve the voluntary transfer of unencumbered land in full or part payment of rates and charges identified in the attached schedule, VOL November 2021, for overdue rates and charges.

**BACKGROUND**

Local government legislation provides an avenue for Councils to grant a concession to land owners to accept a transfer of unencumbered land in full or part payment of rates or charges. Unencumbered land is land that is not mortgaged or otherwise encumbered.

The properties put forward in the attached schedule, VOL November 2021, meet the requirements to be accepted as a voluntary transfer in full satisfaction of unpaid rates and charges.

While both properties have a conservation zoning, one of the two properties has a valuation of [REDACTED]. This valuation is set by the Department of Natural Resources and Mines. The registered owner of this property has directed, through his appointed Power of Attorney to voluntary surrender the property to Council as it is causing him financial hardship. The registered owner has not paid rates since 2008.

**ISSUES**

The attached schedule VOL November 2021 contains a list of properties where the owners have requested to transfer the land to Redland City Council in full satisfaction of the unpaid rates and charges.

The following table provides detail of the site value and zoning of the accepted land.
